THE OWNERS

In 1989, Dan and Donna Wecker sold their house and moved onto this historic complex which had been slated for demolition until it was secured by the Maryland Department of Natural Resources. This young couple had put in a bid to do a restaurant/catering business on the site which was accepted--the labor of love continues... With stunning views of the Patapsco River, the grounds and gardens offer both a gorgeous retreat and tasty inspiration with menus which boast an upscale farm to table theme. Our many green practices include on-site farm, composting and networking with several local farmers.

Chef Dan and Donna offer lively hospitality along with their dedicated team. Chef Dan is French-trained, has extensive wine knowledge and enjoys preparing local-seasonal and world cuisines. He is in his element pairing wines and spirits for themed dinners. Donna enjoys planning events while adding her decorative touch. Her monthly teas are enormously popular.

With additional passion for geography, history, wine and terroir, it all comes together for sharing the most memorable Celebrations!

*Cheers!
